## GENETIC KEY CODE ALCHEMY

***The Metaphysical Technology  
Which ReActivates Your  
Essential Being.***

Genetic Key Code Alchemy has All\*Ways  
Existed in this Universe, yet it is New in this  
Paradigm as an actual understandable  
Technology which can be seen,  
Heard, felt,.. in a conscious  
Way by Humans. AhnéYah Divinity  
Has channeled this Universal Wisdom  
Into the Course and structured it into  
An Online Mystery School as to  
Hold space for the Holiness  
Of this information;  
Which can only be embodied  
By those who commit to the Journey  
Of Enlightenment Within The One.

## THE COURSE

We will Move together on a  
Divine Pathway, which is Paved  
Through Diamond Genetic Key Codes;

These Codes or Blueprints are **the Original Language  
Of Our Universe, Our DNA, Our Divine Human Design,**  
Which is Created through The Central Sun (Source)  
And Our Dearest Planet Earth (the Elements).

Through Remembering the Diamond Genetic KEY Codes  
(Which have been carefully channeled into visual art and sound  
By AhnèYah Divinity in deep trance state) within their Visual Form  
And Prayers & Universal Mantras; We Open the Doors of Our Essential  
Being, Our Essential Purity, Our Essential Heart Once Again And So  
**Reconnect with Our True Divine Nature in a Solid Embodied Way.**  
And this All within Ease and Grace, to never “fall back” again.

*How is this possible ?*

Because the Path is already laid out for You, Clear and Secure.  
**The Codes form a “ladder”** out of the pits of “hell - confusion -  
Doubt - ignorance - fear - etc...” and thus show You which steps  
To take in order to Ascend out of the stuck patterns, whether  
They are conscious or unconscious, and become deeper  
And deeper Self Empowered and Sovereign.

**The Memory of these Original  
Codes is still deeply within Your DNA,**  
It is just dormant... so through simply following  
The Guidance of the Codes and taking the Responsibility  
To make these Steps within Your Entire Being, **You Will  
Rise Into The Diamond You All\*Ready Are;**  
EMBRACING WHOLY & FULLY  
YOUR DIAMOND HEART EMBODIMENT.

## F.A.Q. - TERMS OF USE - PRIVACY POLICY

1. **All Images, Texts, Lyrics and mantras provided in this Course, are copyrighted by AhnèYah Divinity - Garden of Araina. They cannot be used for personal creativity or public publication or production of any kind, nor can they be used in your service work (unless Term 2 applies to You).**

This is done not only for artist copyright reasons, but also to keep the Purity & Integrity of the Codes Alive, as well as protect those that are not initiated, from damage done by diving into the codes without a certain level of integrated consciousness. **Do Not Share The Codes With Anyone outside of the vortex; not even friends or family;** we will elaborate further on this during the group sharings)

2. **When You have graduated from this course at the end of the year, and You feel guided to become a Space Holder within The Araina Academy, You can request this to AhnèYah. Upon approval You will be able to become an Araina Space Holder. As Space Holder You receive 30% of the tuition as exchange (This is \$6000,- per Student You hold in Your Group).** Your group of initiates will have the same access to all within the online vortex, yet You will present the group gatherings and the personal sessions, as well as do all the support and follow up with the initiates.

3. **Divinity Course: There is also a Second Course available for those who wish to go ever deeper on the Path of Self Realization and Enlightenment,** and wish to be of ever deeper Service to the Whole; this second course is only for Graduates of a certain degree and comes at an extra \$5k for a 3 month initiation and lifelong activation.

4. **At the end of the training You will receive a referral on the Garden of Araina website as "Certified Genetic Key Code Alchemist",** with a link to Your personal website, contact, etc. And You will be promoted by the Garden of Araina publications to support Your Mission vice versa. We Are All in this Together! The Garden of Araina is a project built up by AhnèYah Divinity, but not "for" AhnèYah Divinity. This project is built up to Create Harmonious Come\*Unity and present a Loving Space within Equality where We can All Serve To\*Gather in Pure Intention. It is a Garden for the Cultivation of the Diamond Age, for the Activation of the 144000 Masters to Activate the Diamond Grid (*more on this will be elaborated in the classes*).

5. **You will also be able to use your own codes/lyrics/mantras/texts, that you will learn to channel and anchor in during this year, and form into an Activation Sequence.** Whether You choose to hold space within AAoA or decide to be fully within your own project. ( It is not a necessity to continue with the codes in visual form after graduation - this is purely a part of the training, and it will be up to you if you choose to put it in use or not. Yet during the training all possible forms of Genetic Key Code Alchemy will be addressed and practiced )
6. **The more You follow the given Pathway as presented, the Easier You will Open and Receive the Activation, in Ease, Flow and Grace. As if it is the most natural thing... So Trust the Process.** These codes have been very thoughtfully, carefully and Heart-fully channeled and translated into this physical realm, tested and retested, gone over again and again, to make sure that they bring You the deepest purest Activation, in a most Loving, Joyful & Graceful Way. Of course some processing will come up, but if You use the support provided in the guidance that comes with the codes, the support of the online AAoA Vortex, and the monthly Personal Key Code Readings, these processes will be moved through faster than Your mind can grasp, and the embodiment of Your Higher Frequencies into Your Heart will be automatic.
7. A frequent question that is asked is **"Will This Training Change Me?"**, the answer is simple and short; **"No."** It is understandable that when You go on a Journey, and You have a family or close circle of friends for example, that You might fear to evolve so much that this may be disrupted. The Truth is; **You will only become ever more You.** You will become a Purer version of You, a more Embodied version of You, a Clearer version of You, a more Satisfied version of You. Your True Beloveds and family will only ever Love You more for Being more You, because that is why they Love You. As well All Your True Beloveds will automatically feel the Activation happening through You Embodying the Key Codes, even if they do not see the Codes. As Your Heart Rises, All Hearts Connected to Yours will Rise with You in Grace. Any people and situations in Your Life that do not match the frequency of True Love will automatically dissolve, and Give You Ever More Space To Receive Ever Deeper Love, Harmony and Unity within All You Are, Have and Do. Isn't that what we all are striving for?
8. Another frequent question is; **"Will I Be Able To Make Money From This Training After?"**, the answer is **"Yes, and Instantaneously."** And probably already during, due to the higher frequencies that you'll be embodying, which will attract more abundance automatically. IF & when, of course, You put in the effort and make it happen. It's a 2-way stream. Abundance goes where Pure Intention & Realization of Self-Empowerment Is, and these topics will also come aboard many times during the classes.

Also at the end of this training, in the last module and in the retreat, We will touch the topic of how to bring these teachings forward exponentially, and what you can do with them, how to put them in use within Your Authentic Expression. As well as business coaching to get Your Mission Flowing & Thriving.

**PLUS :** You will have the option during and after Your Initiation, to become an **Araina Ambassador**: with each new student You bring into the Academy, You receive a bonus\* of \$1.440,- . *\*This is when You personally have done the full intake consult with the new student. When interested, contact AhnéYah & You will Receive all info & documents needed.*

9. **All Classes are permanently online to which You have LIFE LONG ACCESS to. These Classes are exclusive for Araina Initiates and cannot be shared outside the Araina Academy.** There will be occasional bonus uploads or additions coming during the following years.
10. **All Group Activations will be recorded and replays will be available for You (for 6 months) the day after they take place.** They will be uploaded on the Araina Academy website in the private member pages. **These replays are exclusive for Araina students and cannot be shared outside of the Araina Academy.**  
If You cannot attend a Group Activation, You will be able to catch up later in the replays. (See Term 10 to still partake even though you are not able to be present.)  
**They are only available for another 6 months after Your Course, as the next cycle the new Group Activations will be uploaded. Once You have enrolled, You will have LIFE LONG ACCESS to All the Replays that come in following Years, in order to keep You updated within the Diamond Grid.**
11. **It is not a "must" to be present in All Group Gatherings. Yet it is recommended to Be Present as they are Activations for You Individually and for the Collective in the moment;** They are most powerful when You attend Live yet will still have an effect on You when You watch the replays. It is very normal and understandable that there will be days when You are not able to attend. **YET; As this is an Academy, it will be part of Your evaluation and thus Your ability to Graduate, according to the level of participation and Presence during Your Course. IT IS NOT A GUARANTEE THAT YOU GRADUATE; There will be continuous evaluation happening. Yet when You follow the Course and Guidelines as given, You have very high probability of Graduating in Ease and Grace.**

12. The structure built up for You is Here to Give You the best example of support for You to go through this Activation in the upmost Ease & Grace. It is up to You how You feel to experience this. **This Training is to Activate Self-Empowerment and Authenticity in Pure Intention**, and within the fact that You Are Here, it is Trusted that You will **Use the given structures and guidance wisely to the best of Your Own Evolution. But in any case: Follow the order of the Key Codes as given. This is the most important thing.** There is a very good reason why they are built up the way they are, and thus necessary to Follow them accordingly. We will explain this further within the Classes.

*And as we are what we give; Your integrity will be rewarded with a graduation, as will Your integrity most definitely be rewarded with a Life Lived in Divine Sovereignty and Abundance within True Higher Love.*

13. **As this vortex is a place of Safety, of Truth, of Respect and Honor; when any of the Students or Initiates doesn't reflect Respect or Honor in any way shape or form within this Sacred Vortex, they will be eliminated from the Academy at any time;** this is for the protection of all involved, of the Key Codes' Purity, and of the Evolution of the All That Is. This Academy has the serious Intention to Guide Those who have the serious intent to Evolve in Purity and Grace. There is a field of Divine Protection within and around this Vortex, so the ones that are attracted to this Academy are already within the alignment of Respect and Honor. This term is simply to reinforce this discernment in case any of the extraordinary or unexpected should take place.

**\*\*\* Privacy Policy :** This Training is a private & safe setting. Your personal details, any emails, any processes or your personal recorded Key Code Readings will stay private, solely for the use of the Academy's administration and practicalities.

These are the main topics I wanted to share with You. If You have any further questions, please send me an email at [essence@araina.garden](mailto:essence@araina.garden). Or discuss with Your Space Holder in the Free Consult.

*So Dear Heart,*

I hope this all made sense to You
