F.A.Q. - TERMS OF USE - PRIVACY POLICY

1. **All Images, Texts, Lyrics and mantras provided in this Course, are copyrighted by AhnèYah Divinity - Garden of Araina. They cannot be used for personal creativity or public publication or production of any kind, nor can they be used in your service work (unless Term 2 applies to You).**

This is done not only for artist copyright reasons, but also to keep the Purity & Integrity of the Codes Alive, as well as protect those that are not initiated, from damage done by diving into the codes without a certain level of integrated consciousness. We will explain the depth of this necessity further during the classes.

2. **When You have graduated from this course at the end of the year, and You Choose to become a Teacher/Space Holder within the Garden of Araina within the Diamond Collective Key Codes, there will be different options open for You to be able to work with the Collective Diamond Key Codes of the Araina Academy in specific ways.** When the Year has come to an end, You will be able to have a personal meeting with AnnèYah to See how this could fit into Your Authentic Way of Space Holding.
3. **If at the end of the training You wish to become a Garden of Araina Space Holder/Teacher, You will also receive a referral on the Garden of Araina website as "Certified Genetic Key Code Alchemist",** with a link to Your personal website, contact, etc. And You will be promoted by the Garden of Araina publications to support Your Mission vice versa. We Are All in this Together! The Garden of Araina is a project built up by AhnèYah Divinity, but not "for" AhnèYah Divinity. This project is built up to Create Harmonious Come*Unity and present a Loving Space within Equality where We can All Serve To*Gather in Pure Intention. It is a Garden for the Cultivation of the Diamond Age, for the Activation of the 144000 Masters to Activate the Diamond Grid (*more on this will be elaborated in the classes*).
4. **You will also be able to use your own codes/lyrics/mantras/texts, that you will learn to channel and anchor in during this year, and form into an Activation Sequence.** Whether You choose to hold space within AAoA or decide to be fully within your own project. (It is not a necessity to continue with the codes in visual form after graduation - this is purely a part of the training, and it will be up to you if you choose to put it in use or not. Yet during the training all possible forms of Genetic Key Code Alchemy will be addressed and practiced)

5. **The more You follow the given Pathway as presented, the Easier You will Open and Receive the Activation, in Ease, Flow and Grace. As if it is the most natural thing... So Trust the Process.** These codes have been very thoughtfully, carefully and Heart-fully channeled and translated into this physical realm, tested and retested, gone over again and again, to make sure that they bring You the deepest purest Activation, in a most Loving, Joyful & Graceful Way. Of course some processing will come up, but if You use the support provided in the guidance that comes with the codes, the support of the online AAoA Vortex, and the monthly Personal Key Code Readings (and their recordings), these processes will be moved through faster than Your mind can grasp, and the embodiment of Your Higher Frequencies into Your Heart will be automatic.
6. A frequent question that is asked is **"Will This Training Change Me?"**, the answer is simple and short; **"No."** It is understandable that when You go on a Journey, and You have a family or close circle of friends for example, that You might fear to evolve so much that this may be dissolved. The Truth is; **You will only become ever more You.** You will become a Purer version of You, a more Embodied version of You, a Clearer version of You, a more Satisfied version of You. Your True Beloveds and family will only ever Love You more for Being more You, because that is why they Love You. As well All Your True Beloveds will automatically feel the Activation happening through You Embodying the Key Codes, even if they do not see the Codes. As Your Heart Rises, All Hearts Connected to Yours will Rise with You in Grace. Any people and situations in Your Life that do not match the frequency of True Love will automatically dissolve, and Give You Ever More Space To Receive Ever Deeper Love, Harmony and Unity within All You Are, Have and Do. Isn't that what we all are striving for?
7. Another frequent question is; **"Will I Be Able To Make Money From This Training After?"**, the answer is **"Yes, and Instantaneously."** And probably already during, due to the higher frequencies that you'll be embodying, which will attract more abundance automatically. IF & when, of course, You put in the effort and make it happen. It's a 2-way stream. Abundance goes where Pure Intention & Realization of Self-Empowerment Is, and these topics will also come aboard many times during the classes. Also at the end of this training, in the last module and in the retreat, We will touch the topic of how to bring these teachings forward exponentially, and what you can do with them, how to put them in use within Your Authentic Expression. As well as business coaching to get Your Mission Flowing & Thriving.

PLUS : You will have the option during and after Your Initiation, to become an **Araina Ambassador**. And with each New Initiate You bring into the Group, You will receive a bonus* of \$1.440,- . **This is when You personally have done the full intake consult with the New Initiate. When interested, contact AhnèYah & You will Receive all info & documents needed.*

8. **All Classes are permanently online to which You have LIFE LONG ACCESS to.** [These Classes are exclusive for Araina Initiates and cannot be shared outside the Araina Academy.](#) There might be occasional bonus uploads or additions coming during the following years.

9. **All Group Activations will be recorded and replays will be available for You (for the entire year) the day after they take place.** They will be uploaded on the Araina Academy website in the private member pages. [These replays are exclusive for Araina students and cannot be shared outside of the Araina Academy.](#)

The Group Activations are LIVE ZOOM GATHERINGS once a week, where there will be a Channeling of the momentary Collective energies, and space for Q&A about anything that comes up from the Classes, Key Codes and/or personal processes.

If You cannot attend a Group Activation, You will be able to catch up later in the replays. (See *Term 10 to still partake even though you are not able to be Live present!*)

They are only available for One Year, as the next Year the new Group Activations will be uploaded. Once You have enrolled, You will have LIFE LONG ACCESS to All the Replays that come in following Years, in order to keep the Channellings fresh - and keep You updated within the Diamond Grid.

10. **It is not a "must" to be present in All Classes. Yet it is recommended to Be Present in all Classes & Q&A's as they are Activations for You Individually and for the Collective in the moment;** They are most powerful when You attend Live yet will still have an effect on You when You watch the replays. It is very normal and understandable that there will be days when You are not able to attend. If this occurs, You can use the online Come*Unity Space (See *Term 11*) to still partake and see the replay at a time of Your Convenience.

11. As an Araina Initiate, **You also have LIFE LONG ACCESS to All Patreon uploads.** These will be automatically posted in the online Araina CoCreation Space (the private forum on the academy website) under "Diamond Channelings". These are weekly Collective Key Code Readings for Collective Ascension Guidance and weekly Divine Union/Twin Ray Key Code Readings.

12. And of course You will also have **LIFE LONG ACCESS to All replays of the Key Code Sharings**. You will additionally also be able to **participate Life Long in these sharing once every 6 months**. Ofcourse the Initiates that are in course of the training will have first go on Sharing their Key Codes. This gathering will take max 3 hours.
13. **In this Teacher Training You are not forced to do anything.** The structure built up for You is Here to Give You the best example of support for You to go through this Activation in the upmost Ease & Grace. It is up to You how You feel to experience this. This Training is to Activate Self-Empowerment and Authenticity in Pure Intention, and within the fact that You Are Here, it is Trusted that You will **Use the given structures and guidance wisely to the best of Your Own Evolution**. **But in any case: Follow the order of the Key Codes as given. This is the most important thing.** There is a very good reason why they are built up the way they are, and thus necessary to Follow them accordingly. We will explain this further within the Classes.
14. **Privacy Policy :** This Training is a private & safe setting. Your personal details, any emails, any processes or your personal recorded Key Code Readings will stay private. *
- * With the exception of the Live Group Activations that will be performed on Zoom and recorded for replay; these will be made available for Your personal use, and for the use of other students.*

These are the main topics I wanted to share with You. If You have any further questions, please send me an email at essence@araina.garden.

So Dear Heart,

I hope this all made sense to You
And that You feel ever more Inspired
And Delighted to Start this New Cycle
